

Budget Committee Public Hearing 1/10/2019

Meeting started at 7:07PM

Attendance: Melissa Suckling, Jessica Hatch, Lynn Walker, Lenny Ryan, Mike Daughn, Brad Winslow, Tim Martin; General public attendees as well

We went over each section of the budget reviewed the total amounts. For the TC/TX we discussed that we have different amounts than the select board due to some confusion with the 2019 requested amounts for the TC/TX salary and TC/TX deputy wages. The Budget Committee will be reviewing those numbers during our meeting on 1/15/2019.

We discussed a new warrant article for a highway equipment capital reserve at \$25,000, the select board voted about this during the past week and the budget committee has not met since. We will vote on this on 1/15/2019 as well.

Andy Phelps brought up the Police Department that they have only spent \$29,000 for officer wages, but they requested \$49,000. Wants to make sure that the PD has enough money.

No other questions regarding the budget were brought forward.

Meeting was adjourned at 7:17 PM.
