

TOWN OF DANBURY - Board of Selectmen

Lenny Ryan scheduled a meeting with the Board to see if anything could be done about the lumber that has been piled up at 88 High Street. Within a few days of the town paying to clean up the demolition debris on the property, additional piles of lumber were deposited. He feels it is an eyesore that affects the values of surrounding properties and should not be allowed. The Selectmen informed him of the steps being taken to recover the town funds spent on the clean up. As far as the piles of lumber, that is not within the Board's purview.

Lyn gave the Board the dates of the Budget Committee's annual hearing on the budget. It will be held on January 9, 2018 at 6pm, with a snow date of January 11 at 6pm.

The Board scheduled the 1st deliberative session of town meeting for Tuesday, 2/6/18 at 7pm. The snow date will be Thursday 2/8/18 at 7pm.

The second session of town meeting, the annual voting on the town and school budget and warrant articles, will be Tuesday, 3/13/18 from 11am - 7pm.
