

WINTER SAND POLICY

THE DANBURY BOARD OF SELECTMEN HAS ADOPTED THE FOLLOWING POLICY WITH REGARDS TO WINTER SAND USE BY DANBURY RESIDENTS AND TAX PAYERS.

1. The intent is to provide residents and tax payers with winter sand for use at their residence on driveways and walkways. The sand is available for private use only. Residents with long driveways are advised to hire private contractors. Accordingly, this sand is not intended for commercial entities or businesses such as landscapers, snow removal contractors or property maintenance businesses.
2. Winter sand is available at the Transfer Station when it is open, 8 am - 4 pm Tuesdays and Saturdays. Please plan ahead for your winter sand needs.
3. Winter sand can be shoveled into and removed by pails. A maximum of (4) 5 gallon buckets is allowed per day. Shoveling into truck beds, sanders or other large containers is not allowed.
4. Removal of sand by residents at the Highway Garage is prohibited.
5. Failure to comply with these rules will result in the loss of access to the winter sand area.

Thank you for your help in keeping costs down and controlling this operation so that it works well for all of us.

THIS POLICY ADOPTED ON DECEMBER 11, 2019 BY UNANIMOUS VOTE OF THE DANBURY BOARD OF SELECTMEN.

Jessica L Hatch, Chairman Board of Selectmen
Lyn H. England, Selectman
James D. Phelps, Selectman
