

Town of Danbury
BOARD OF SELECTMEN MEETING MINUTES
Monday November 18 , 2024, 7:00 PM

Members present: Jessica Hatch, Chair, Ruby Hill , James Farmer by Telephone

Chairperson Hatch opened the meeting at 7:40pm to meet with Mario from Brown engineering. To discuss the upcoming Ragged Mountain Road project.

Met with Mario from Brown Engineering re: Ragged Mountain Resort (RMR) and road problems.

The first two parking lots meet standards. The driveway on the right is not graded correctly, against their permit.

He can survey using a drone, he has walked it and will come up with a plan. (May be able to use sediment bays.)

In reference to the alteration of terrain permit with DES: Will check to see how it compares to the as-built conditions.

He can use a service that compares like projects to give us a ballpark price for repairs.

The Board agreed he should go forward with this work so we will have an idea of price, and who is responsible for what (RMR or the Town) to repair the road.

At 8:25 Jessica motioned to adjourn, seconded by Ruby. Motion carried. Meeting adjourned.

The next meeting of the Board of Selectmen will be held on Wednesday, December 4, 2024, at 6pm.

Respectfully submitted, Maggi Winn Administrative Assistant
