Motion by Farmer to accept the meeting Minutes from August 8 as presented; 2<sup>nd</sup> by Hatch; all in favor.

Huyler presented his sketches with feedback from the last meeting, provided a couple of outlines for further details that could be added later; adapted Johnson's sketch from last time to larger paper.

Johnson presented his sketch in more detail with a clearer design.

Discussion regarding all the sketch designs presented, and suggested edits for all.

The goal for the next meeting is to decide on a design as a group, so that a quote can be obtained.

Ryan invited members of this committee to the CIP meeting that has once again been continued, on September 17 at 7 PM. The purpose of the CIP is to plan for the future, not just budget for the present. This project we've been working on is for both.

Meetings will be held on the 2<sup>nd</sup> Thursday of the Month at 7pm. These dates have been posted on the Town Website.

Motion to Adjourn by Farmer, 2<sup>nd</sup> by Kelby, all in favor. Meeting Adjourned at 8:15 PM.
